SUMMARY

I am a recent graduate with B. Tech in CSE, currently studying enhancing my skills in Python and Data Science at PySpiders. I thrive in learning environments where I can apply my programming and analytical skills to contribute effectively to team goals and ready to relocate.

EDUCATION

PySpiders, Bangalore   Bangalore, Karnataka
Python with Data Science   Aug 2025 – Present

Institute of Technology and Management, Gwalior   Gwalior, M.P.
B. Tech (CSE) – RGPV   Aug 2022 – May 2025

TECHNICAL SKILLS

Programming Language –

- Python – -> Basic– Operator Types, Control Statements, Datatype Types, Comprehension, Functions
  -> Advance – Exception Handling, File Handling, Database Connectivity, Filter(), Map().
  -> OOPs – Class & Object, Instance Variable & Methods, 4 Pillers, 2 Relationships.

Database –

- SQL – DDL, DML, TCL, DCL, DQL, Functions, Pseudo Elements, View Types, practiced in **Oracle SQL Plus**.

Web Development –

- HTML – Tags, Inserting Media, Lists, Forms, Table.
- CSS – Box Model, Opacity, Gradient, Selector, Display, Position, Animation, Grid, Method.

Data Analysis –

- POWER BI – Components, DAX Functions, in **Microsoft Power BI Desktop**.
- EXCEL – Excel Functions, Pivot Table, Pivot Charts, Data Cleaning, Data Transformation.
- Pandas – Data Cleaning, Data Transformation
- Matplotlib – Data visualization using graphs

PROJECTS

Employee Attrition Dashboard –

- Created a working dashboard using employee attrition dataset in **Power BI**.
- Applied charts and graphs using column and measure and styled the dashboard.
- Performed Exploratory Data Analysis on 10L+ Emp records using Power Query & DAX functions.

Organic Product Website Clone –

- Built a complete website for Organic Farming using **HTML** and **CSS**.
- Used CSS Flexbox to create a professional gallery for farm products and a clean, organized navigation menu with animations and hover effects.

CERTIFICATE

All India Test CodeKaze'24 - Have participated in All India Test CodeKaze'24, organized by **codingninjas** in 2024.

SOFT SKILLS

- Emotionally intelligence
- Helping nature
- Always trying to improve myself
- Positive attitude towards challenges
- Keen eye for details
- Problem solving

ACHIEVEMENT

All India Rank (**AIR**) **626** in CodeKaze'24 by Coding Ninjas.

INTEREST AND HOBBIES

- Driving
- Listening music
